The entry with the greatest number of wins will be the weekly winner. The Monday night game is used as a "Tie Breaker". In case a tie still existed, a drawing will be made to determine that week's winner.

Each weekly winner will be entered into a final drawing for the Grand Prize and other prizes to be given. Contestants are only eligible to win the first time their name is drawn. The drawing will take place in January at PRO Systems for the weekly winners. **MUST BE PRESENT TO WIN** the Grand Prize.

"Pick the PROs" will run from September 12, 2011 thru January 2, 2012. Persons entering must be 21 or older. No one under 21 can win any of the prizes. Some restrictions do apply. Non-completed entries will be treated as a "loss". Decisions of the judges are final.

Management and staff or family members of PRO Systems, KDLM, Wild 104.1 and all sponsors are not eligible to play and win "Pick the Pros". Weekly winners' names will be posted on Facebook and in front of PRO Systems and will also be announced over KDLM and Wild 104.1 each Wednesday.

Grand Prize Winner receives: A 46inch Samsung 1080p LED flat screen TV. "Pick the Pros" Grand Prize valued at \$3200.00.

Grand Prize Winner will receive a 1099 for income tax purposes. Only one entry per person per week. All others will be disqualified. Previous Grand Prize winners are eligible for weekly prizes but are not eligible to win the grand prize for a period of 5 years.

A special prize will be given to the weekly winner who has a "Perfect Entry". "A Perfect Entry" is one that has all games for that week and the Tie Breaker game correct. This winner will win a \$100 Gift Certificate from PRO Systems.
